MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 2 to Contract No. SP-1925  
with Lockheed Aircraft Corporation, Project IDEALIST

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. SP-1925 covers the conversion of vehicles from a J-57 to a J-75 engine as well as related IRAN etc. Amendment No. 2 provides for additional funds which should be obligated as follows:

FY-62 IDEALIST Material

TOTAL -

25X1A

25X1A

These funds are authorized in activity program IDEALIST No. 62-4 dated 18 January 1962. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this obligation.

3. The services and equipment being procured by this Amendment No. 2 SP-1925 are in furtherance of the IDEALIST Program, the nature of which cannot be publicly disclosed for security reasons. The undersigned Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-110 and Class Determination and Finding, OXC-2122, signed by the DDCI on 25 October 1961.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminated the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.
